Quantity: 100 Sets

Hi, are you there? I was wondering if I could buy a sample before placing a larger order. Do you do that? My address is 300 S Wacker Dr, Ste 2500 Chicago, IL 60606. I can pay all the shipping fee's associated with it - I understand buying only 1 item first time around is a hassle and no fun for you.

The supplier is probably asleep, it's late in CN. Their office hours around 22:00 09:00 in your time (US). Leave a message and they will get back to you when they are in the office.

Hi Edward, Yes, most of our customers make samples first before placing a large order. one sample is ok, May I know which design you want to make for sample? can you send picture to me?

You can click this web-link to pay money it is convenient

what paypal can I send the payment to?

We have a PayPal account , but we use TT more often

If you pay on the web link I sent , the ship fee is cheap. It costs \$30.

If you pay on paypal the ship fee is higher much than \$30.

Placed with caution if a supplier insists on receiving direct offline payments or refuses to support Trade Assurance. You (BUYER) get better protection when pay via Trade Assurance.

I will cancel then sorry

But, \$90 I promised you

The spread of COVID-19 virus and the ongoing efforts to contain it has significantly impacted commerce across the world. PayPal recognizes there is a potential for delayed shipments and increased shipping timeframes, globally. We appreciate your patience during this time and recommend that you communicate directly with your seller to discuss options around your purchase and shipment prior to filing a claim. You'll have 180 days from the date of your transaction to file a PayPal Purchase Protection claim.

Questions and problems are usually solved in two to three days when buyers and sellers work directly together.
